

## 5-year goal:

- Raise £3.5 million
- 40,000 surgeries
- 3 craniofacial centers
- 200 fellowships

**We are fighting for children with facial deformities.**

**Help us change their lives.**

**DONATE NOW**

**OUR WORK IS CONTINUING...**

**909** operations already carried out in current year at new  
craniofacial center

108 Military Central Hospital Center for Craniofacial and Plastic Surgery opened in December 2018.

**3** new partnerships:

**Alder Hey Children's Hospital**

**Seattle Children's Hospital**

**Adelaide Women's and Children's Hospital**

Education is at the forefront of what we do. The opportunities these partnerships offer our network of medics and the children in desperate need of complex medical treatment and care are life-changing.

## 28 new monitors donated to help in the fight against COVID-19

Vietnam has been hit hard by the outbreak and our partner hospitals have continued to serve the children whose complex needs have not diminished throughout the pandemic. We have donated 28 new monitors which will help in the fight against COVID, and we continue to deliver excellent patient care to the thousands of children who so desperately need our help.

## 1 state visit by the Prime Minister of Vietnam

Prime Minister Pham Minh Chinh recently attended the UN Climate Change Conference in Edinburgh and honoured the work of Facing the World.

**Please support our fight for children with  
facial deformities.**
