

WE ARE DELIGHTED TO ANNOUNCE FELLOWSHIPS AND MISSIONS HAVE RESTARTED

- 10 medics from Hanoi completed the fellowship programme this year
- Our first mission to Hanoi (since COVID) was held in December, focussing on children with complex Craniofacial deformities

Thank you to all our supporters, together we are changing children's lives

DECEMBER APPEAL

This month we met children at clinics in Hanoi, determined to get vital treatment that will change their lives forever

Our 5-Year Goal:

- **Raise £3.5 million**
- **40,000 surgeries**
- **3 Craniofacial Centers**
- **200 fellowships**

We are fighting for children with facial deformities, make a donation now and help us change their lives.
