

WE NEED YOUR HELP!

We are fighting for children with facial deformities, please donate now and help us change their lives.

3 Hospitals

**Over 10,000 life
changing operations**

With your support we can help more children in Vietnam

Photos taken from clinics at Viet-Duc University Hospital, Hong Ngoc General Hospital and 108 Military Central Hospital

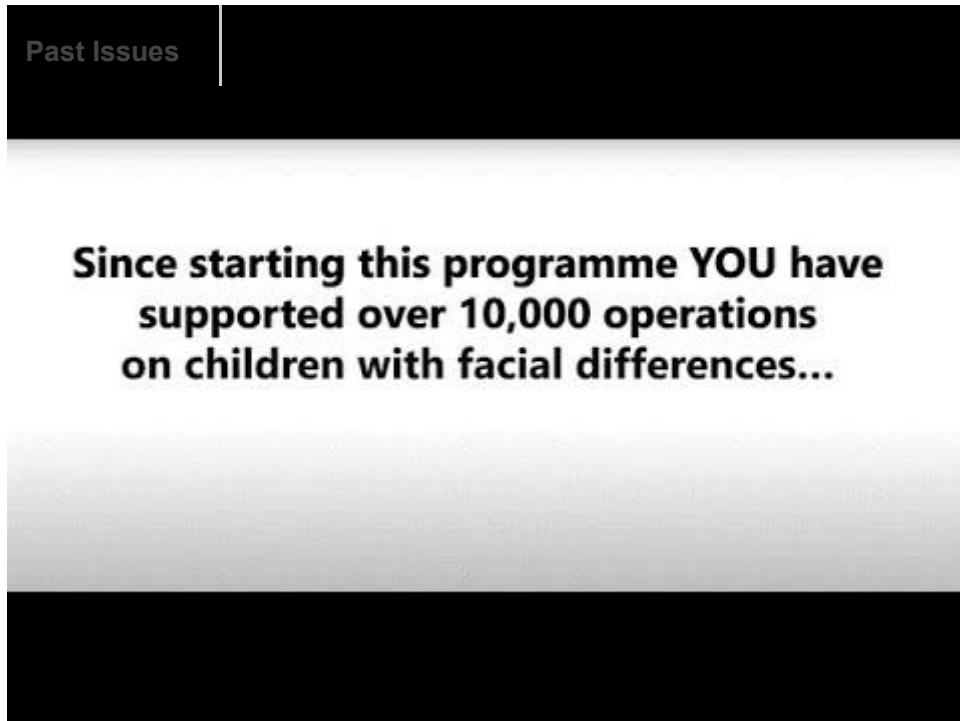

With your donations we can continue to change the lives of children with facial deformities.

In 2023 alone, we:

- **delivered three missions in Vietnam.**
- **Funded 23 international fellowships to train Vietnamese doctors.**
- **Donated more crucially needed surgical equipment for our partner hospitals in Vietnam.**

We need your help now to make 2024 even more successful!
